Future of the Sasana

“It is the new generation that will determine the ups and downs of sasana in the future.” This is what Panditarama Sayadawgyi often tells his disciples and devotees with great concern about the future sasana.

The Buddhist Cultural Training Course

This course takes one week. Every day during the course they have to attend classes, meditation and Dhamma talk. It is greatly encouraging that after having this course the students become much nicer and well behaved than they used to be.
